

THE VOLUNTARY SECTOR AND VOLUNTEERS: BUILDING OUR FUTURE TOGETHER

CONFERENCE INFORMATION AT A GLANCE

Conference Date & Location

Thursday, November 8, 2001

Burlington Conference Centre

5420 North Service Road

Who Should Attend?

This Open Space conference has been designed for:

- Executive Directors/
Senior Staff
- Volunteer Managers/
Coordinators
- Volunteers

What Is An Open Space Conference?

“Open Space Technology is a meeting methodology that enables individuals and groups to become more effective in work environments that are rapidly and constantly changing by developing their skills as lifelong learners and collaborative problem solvers. It creates the conditions so that the maximum potential of the individual and the organization can be realized. Open Space Technology captures the knowledge, experience and innovation in the organization that is not captured through less open processes.”

Billie Alban and Barbara Bunker
Large Group Interventions,
Jossey-Bass, 1997
