Independent Auditor's Report

To the Directors of Community Development Halton

We have audited the accompanying financial statements of Community Development Halton, which comprise the statement of financial position as at March 31, 2014, and the statements of operations and accumulated net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, Community Development Halton derives revenue from donations and fundraising the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of Community Development Halton and we were not able to determine whether any adjustments might be necessary to revenues, excess (deficiency) of revenues over expenses and accumulated net assets.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the basis for qualified opinion paragraph, these financial statements present fairly, in all material respects, the financial position of Community Development Halton as at March 31, 2014 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Nature of Organization

Community Development Halton (the "Organization") is a not-for-profit organization that is committed to social development as a desired state of community well-being and social change as a continual process towards achieving and sustaining social development for all members of the Halton community.

The Organization was incorporated without share capital under the laws of Ontario and is a registered charity under the Canadian Income Tax Act.

1. Significant accounting policies

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations. The significant policies are detailed as follows:

Cash

Cash consists of cash on hand and balances with financial institutions, net of outstanding cheques. Short-term investments consist of guaranteed investment certificates (GICs) with maturity dates of less than one year.

The balance of GICs on hand as of March 31, 2014 was \$41,390 (2013 - \$31,259).

Furniture, fixtures and equipment

Furniture, fixtures and equipment are recorded at cost. The Organization provides for amortization using the straight-line method at rates designed to amortize the cost of the furniture, fixtures and equipment over their estimated useful lives. The annual amortization rates are as follows:

Furniture, fixtures and equipment	5 years
-----------------------------------	---------

Revenue recognition

The Organization follows the deferral method of accounting for contributions and reports on a fund accounting basis. Under this method, unrestricted contributions are recognized as operating fund revenue when received, or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

The Organization receives grants and restricted donations which are designated for certain purposes. Restricted contributions are reflected in the statement of financial activities equal to the lesser of the amount of expenses incurred and the amount of funding received.

Net investment income which is not externally restricted is recognized as income of the operating fund when earned.

Notes to Financial Statements**March 31, 2014**

1. Significant accounting policies, continued**Deferred contributions**

The Organization receives funds for projects which are designated for certain purposes. If a project is not complete at the end of a year, revenue is reflected in the statement of financial activities equal to the lesser of the amount of expenses incurred and the amount of funding received.

In accordance with the terms of certain projects, any surplus remaining upon completion of a project may be required to be repaid to the donor. Otherwise, any excess or deficiency of funds is reflected in the statement of financial activities in the year in which the project is completed.

Donated services and gifts in kind

The work of the Organization is dependent on the voluntary service of many individuals. Since these services are not normally purchased by the Organization and because of the difficulty of determining their fair value, donated services are not recognized in these statements. Likewise, gifts in kind are not reflected in these financial statements.

Fund accounting**Operating fund**

Revenue and expenses related to the day-to-day activities of the Organization are reported in the Operating Fund.

Operational reserve fund

In fiscal 2010, the Organization approved the creation of an internally restricted operational reserve fund which is maintained to provide for future financial stability.

Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the balance sheet date and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

Notes to Financial Statements

1. Significant accounting policies, continued

Financial instruments

Measurement of financial instruments

The Organization initially measures its financial assets and liabilities at fair value.

The Organization subsequently measures all its financial assets and financial liabilities at cost or amortized cost, except for investments in equity instruments, if any, that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in net income.

Financial assets measured at amortized cost include cash and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

The Organization has not designated any financial asset or financial liability to be measured at fair value.

Impairment

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in net income. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net income.

2. Furniture, fixtures and equipment

			March 31	
	Cost	Accumulated Amortization	2014 Net Book Value	2013 Net Book Value
Furniture, fixtures and equipment	\$ 8,889	\$ 1,778	\$ 7,111	\$ -

3. Accounts payable and accrued liabilities

Government remittances consist of amounts required to be paid to government authorities and are recognized when the amounts become due. Accounts payable and accrued liabilities include payroll remittances of \$8,345 (2013 - \$10,790).

Notes to Financial Statements

5. Lease commitments

The Organization's total commitments, under various operating leases and a property lease agreement, exclusive of occupancy costs, are as follows:

2015	\$ 53,200
2016	54,000
2017	52,500
2018	<u>12,600</u>
	<u>\$ 172,300</u>

Notes to Financial Statements**March 31, 2014**

6. Financial instruments

Transactions in financial instruments may result in an entity assuming or transferring to another party one or more of the financial risks described below. The required disclosures provide information that assists users of financial statements in assessing the extent of risk related to financial instruments. It is management's opinion that the Organization is not exposed to significant credit, liquidity, foreign exchange, interest or concentration risk.

7. Comparative figures

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year. The changes do not affect prior year earnings.
