

Errata

If this document was accessed or downloaded before October 23, 2012, there is an error on pages 11 and 12 in relation to prevalence of low income that indicates it is for the population 15 years of age and over. In fact, the data presented is for the total population.

On page 11, the third paragraph should read **“Burlington had the highest prevalence of low income for individuals among the local municipalities in Halton Region in 2000.”** Also, the title for Figure 6 should read **“Population by Prevalence of Low Income, Halton Region, 2000 and 2005.”**

On page 12, the first label in the Figure 7 table should read **“Total Population.”**
