Each month we'll share a few resources selected to support your professional development and/or to address needs or issues your organization may be facing.

The **Ontario Trillium Foundation** is accepting applications for **Capital Grants** to improve community facilities and spaces. Grants up to \$150,000 will be considered; applications are due August 3, 2022.

The **Rotary Club of Burlington Lakeshore** is hosting **Canada's Largest Ribfest on Labour Day Weekend** (Sept 2 - 5) at Spencer Smith Park, Burlington and are offering a **Volunteer Motivation program** to secular and non-political organizations. Your volunteers and supporters sign up to help at Ribfest and your organization gets a donation for every hour your volunteers work at Ribfest. Organizations can raise up to \$5K. Contact volunteers@rcbl.org for more information.

Looking for a new virtual event platform? Consider **ohyay!**. Created in 2020, this platform allows anyone to create their own real-time, interactive virtual experiences. Used recently by the Volunteer Management Professionals Association of Canada (VMPC) for their annual Forum, the space provides emoji reactions, polls, Q&A, and more for your next event. And it's currently available free of charge!
