

# Designing the Future

## Volunteer Halton Survey Results

Thank you to all who completed the recent Volunteer Halton survey on the impact of COVID-19 that has provided us with critical information how to best serve you during and post pandemic. Also the results provide organizations and community with local data, information, and resources to further their work.

This virtual workshop is presented by Volunteer Halton in partnership with Jody Orr of The Chrysalis Group. Jody Orr has more than 35 years of experience working in and consulting to the nonprofit sector, and is the researcher on this project.

The workshop will highlight the following:

- What did the survey reveal
- Imagining a post pandemic Halton
- Volunteer Halton's role moving forward
